### **D. Registration as a Shareholder with Voting Rights/No Trading Restrictions**

Instructions on how a “street name” holder may become a holder of record are available in the “Investors” section of our website ([www.aurismedical.com](http://www.aurismedical.com)). Between 4 pm EDT on April 13, 2021 and 4 pm EDT on May 17, 2021 no shareholder will be registered as a shareholder of record in the Company’s register of members. American Stock Transfer & Trust Company, LLC will continue to register transfers of shares in the register of members in its capacity as transfer agent.

The registration of shareholders for voting purposes does not impact trading of Auris Medical shares held by registered shareholders before, during or after the Annual General Meeting.

### **E. “Street Name” Holders**

“Street name” holders hold their shares through a bank, brokerage firm or other nominee. The record date for “street name” holders is April 13, 2021. “Street name” holders should follow the instructions provided by their bank, broker or nominee when voting their shares. “Street name” holders who wish to vote in person at the Annual General Meeting must obtain a signed proxy from the organization that holds their shares entitling them to represent and vote the shares at the Annual General Meeting. The proxy must be presented at the entrance together with a government issued proof of identification.

“Street name” holders who have not obtained a proxy from their broker or custodian are not entitled to vote in person or participate in the Annual General Meeting.

## **F. Presence Quorum Requirement**

Our bye-laws provide that at any general meeting two or more persons present at the start of the meeting and representing in person or by proxy issued and outstanding voting shares in the Company shall form a quorum for the transaction of business.

## **G. How many Votes you Have**

On each proposal to be voted upon, you have one vote for each of our common shares that you owned on the record date.

## **H. Required Vote**

All proposals presented for approval shall be decided by the affirmative votes of a majority of the votes cast at the Annual General Meeting, whether in person or by proxy.

## **I. How Votes are Counted**

For all proposals presented, you may vote “For”, “Against”, or “Abstain”. Votes that abstain and broker non-votes will neither be counted as a vote for or against the proposal.

A “broker non-vote” occurs when a broker, bank, or other nominee holding shares for a beneficial owner in street name does not vote on a particular proposal because it does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner of those shares, despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions.

The question of whether a broker, bank, or other nominee will be able to vote your shares depends on whether the New York Stock Exchange (“NYSE”), deems the particular proposal to be a “routine” matter and how your broker, bank or other nominee exercises any discretion it may have in the voting of the shares that you beneficially own. Brokers and nominees can use their discretion to vote “uninstructed” shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters.

For any proposal that is considered a “routine” matter, your broker or nominee may vote your shares in its discretion either for or against the proposal even in the absence of your instruction. For any proposal that is considered a “non-routine” matter for which you do not give your broker instructions, the shares will be treated as broker non-votes.

We believe that only Proposal 2 is likely to be considered a “routine” matter by the NYSE, and all of the other proposals will be considered “non-routine” matters. This belief is based on preliminary guidance from the NYSE and may be incorrect or change before the Annual General Meeting. Therefore, if you are a beneficial owner and want to ensure that shares you beneficially own are voted in favor or against any or all of the proposals, the only way you can do so is to give your broker or nominee specific instructions as to how the shares are to be voted.

## **J. Revocability of Proxy**

If you are a shareholder of record, you may revoke your proxy and change your vote at any time before the respective vote at the Annual General Meeting. You may vote again on a later date via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the Annual General Meeting will be counted), by signing and returning a new proxy card with a later date, or by attending the Annual General Meeting and voting in person. Your attendance at the Annual General Meeting will not automatically revoke your prior proxy unless you vote again at the Annual General Meeting or specifically request in writing that your prior proxy be revoked. You may also request that your prior proxy be revoked by following the steps on item C. Representation above.

If you hold your shares in street name, you will need to follow the voting instructions provided by your broker, bank or other nominee regarding how to revoke or change your vote.

**K. Cost of Proxy Preparation and Solicitation**

We pay the cost of proxy preparation and solicitation, including the reasonable charges and expenses of brokers, banks or other nominees for forwarding proxy materials to street name holders.

We are soliciting proxies primarily by mail. In addition, our directors, officers and regular employees may solicit proxies by telephone, facsimile, mail, other means of communication or personally. These individuals will receive no additional compensation for such services.

We will ask brokers, banks, and other nominees to forward the proxy materials to their principals and to obtain their authority to execute proxies and voting instructions. We will reimburse them for their reasonable charges and expenses.
